MISSING WITNESSES
SENATE SELECT COMMITTEE ON IMPROPER
ACTIVITIES IN THE LABOR OR MANAGEMENT FIELD

Committee Counsel Kennedy advised today that Committee subpoenas had been issued for four individuals in the Chicago area whose appearance is desired before the Committee in connection with their inquiry into the Chicago Restaurant Association. Kennedy said that his investigators had been unable to locate these individuals for service and that efforts of the U. S. Marshal and the Chicago Police Department had also not been productive. He indicated that these witnesses are important ones and asked our assistance in determining their location so that subpoenas might be served either by Committee investigators or by the U. S. Marshal. The four individuals are identified as follows:

1. Sam English who has a criminal record in Chicago and who was formerly a so-called labor expert retained at $1600 a month by the Chicago Restaurant Association. He is also reported to have been associated with the "West Side block," a gang in Chicago.

2. Ross Prio, also a former employee of the Chicago Restaurant Association.

3. Sam Battaglia, a notorious underworld character in Chicago who has been involved in labor racketeering.

4. Gus Alex, an underworld figure who is reported to have controlled gambling in the Loop area and to have been interested in Local 705 of the Teamsters Union in Chicago.

In accordance with the original agreement of the Department that the Bureau render assistance in the location of witnesses sought by the Senate Select Committee on Improper Activities in the Labor or Management Field, we have instituted investigation to determine the whereabouts of the captioned individuals.

In his request for our assistance, Committee Counsel Robert F. Kennedy advised these individuals, reportedly known as criminal characters in Chicago, Illinois, could not be located by the U. S. Bookkeeper for partner of ENGLISH through pretext interview determined that ENGLISH was told to avoid service of subpoena by leaving town. Bookkeeper knows that ENGLISH frequently visits Miami Beach, Fla. MM has been requested to conduct investigation of known haunts of ENGLISH in Miami Beach as furnished by bookkeeper. Other investigation in CG re ENGLISH has developed info that ENGLISH has been out of town and in Fla. as mentioned in reairtel.

5 Hoodlums Dodge Senate Probers Here

CHICAGO SUN-TIMES
5 STAR FINAL Edition
Date JUN 18 1958
Page 48 Col. 3

Five top Chicago area hoodlums Tuesday were reported to be dodging agents for the Senate rackets committee.

Robert F. Kennedy, committee counsel, said on a Chicago visit that the men have been hunted by subpena servers for a month.

They are wanted for questioning about charges of corrupt management-labor relations in the Chicago restaurant, tavern and hotel fields.

"We probably would want some of them to testify at hearings in Washington late this month," Kennedy said. "At least, we would like to interview them."

Three of those sought are high-ranking Capone mobsters —Sam (Mooney) Giancana, Joseph (Joey) Aiuppa and Gus Alex.

All of them have been reported at various times as trying to muscle into restaurant workers' and bartenders' union locals.

The others are Sam English, often arrested on gambling charges, and Sam Battaglia, associate of many mobsters.

English reputedly was once employed by Anthony V. Champagne, a lawyer, in negotiating restaurant union contracts.

Kennedy said the committee has served subpenas on Anthony J. (Tony) Accardo, Paul (The Waiter) Ricca and Clarence (Screwy) Maddox.

Kennedy said he expected the Washington hearings would extend from June 30 through July 2 and from July 7 through July 11.

PROBERS SEEK HOODLUMS FOR SENATE QUIZ

Deputy United States marshals and agents of the Senate rackets committee have sought for a month to serve subpenas on Sam [Mooney] Giancana, a top man in the crime syndicate, and four lesser hoodlums, it was disclosed yesterday.

Robert F. Kennedy, chief counsel for the committee, said it wants to talk to Giancana and, if it can find them, Sam English, Sam Battaglia, Joe Aiuppa, and Gus Alex. Subpenas already have been served on Paul [The Waiter] Ricca, Tony Accardo, and Claude Maddox.

Kennedy said the committee will open hearings June 30 in Washington on the Chicago restaurant situation and possible links between crime elements in Chicago, Cleveland, and other cities.

ALEX has been missing from his residence in CG since 5/17/58 and his wife has not been seen there since 5/7/58. They were located in Los Angeles, Calif. on 5/31/58 but left there before arrangements had been perfected to serve the subpoena on him. From 6/6 through 9/58 it is known that Mr. and Mrs. ALEX were in Palm Springs, Calif. and there are indications that at the present time or recently they have been in Las Vegas, Nevada. However, to date investigation by the Salt Lake City Office has not located them. For these reasons no investigation has been previously requested of the Detroit Office at the farm of SAM ALEX. However, since Salt Lake City has been unable to locate ALEX in Las Vegas it is now requested that the Detroit Office contact neighbors of SAM ALEX and determine if GUS ALEX and/or his wife are presently at the farm or have recently visited it. If it can be done discreetly, it is also requested that the hired man of SAM ALEX' farm be discreetly interviewed in the same regard.

ALEX is white, male, 42 years old, 5'11" tall, 190 - 205 lbs., black hair graying at temples. His wife is named [redacted] age 33, 5'7", 121 lbs., brown hair dyed copper blonde at the present, most attractive and a model by occupation. At the request of the McClellan Committee we have been conducting investigation to locate Gus Alex, a missing witness. Alex, a well-known Chicago criminal character, has hidden out on the West Coast in an effort to avoid service of a Committee subpoena.

Attached teletype reflects Alex allegedly employed by Illinois State Senator Marshall Korshak, a Chicago attorney, who has written a letter recommending Alex.

Chicago recommends this information be furnished to the Committee since if Korshak were subpoenaed and was informed he would be called upon to testify concerning his recommendation of Alex, Korshak might induce Alex to surrender himself and accept service of the subpoena. This action appears proper and the information developed will be furnished to Chief Counsel Kennedy on a confidential basis.

DETAILS:

The title of this case is being changed to reflect the additional alias of Russo for SAM ENGLISH as determined by investigation in Miami Beach, Florida, as reported herein below.

All informants utilized in this report have furnished reliable information in the past unless indicated to the contrary.

All investigation reported below was conducted for the purpose of locating the subject whose testimony is desired by the Senate Select Committee on Improper Activities in the Labor or Management Field in connection with the inquiry of that Committee into the activities of the Chicago Restaurant Association.

ROSS, PRIO

Investigation by SAs PAUL B. FRANKFURT and VINCENT L. INSERRA on May 29 and May 31, 1958, determined that Mr. and Mrs. ROSS PRIO had moved from their residence which was last known to this office in 1956. From there they moved to another address in Chicago and in September, 1956, moved to 1721 Sunset Ridge Road, Glenview, Illinois. On Sunday, June 1, 1958, at 11:20 a.m., ROSS PRIO was observed by SA INSERRA driving a 1958 Oldsmovile, white over black, bearing 1958 Illinois License Number 1311 276, at the corner of Waukegan Road and Lake Avenue, Glenview, Illinois. This Oldsmobile was then observed preceding south on Waukegan Road to the Sunshine Restaurant and Lounge, 7480 North Milwaukee Avenue, Niles, Illinois. PRIO was observed entering this restaurant and lounge at 11:32 a.m.

At 1:30 p.m., a female, believed to be the wife of ROSS PRIO, was observed arriving at the Sunshine Restaurant and Lounge in a 1957 Ford convertible, bearing Illinois License Number 2132 415. This woman was then

observed entering the Sunshine Restaurant. At 1:45 p.m. ROSS PRIO left the above mentioned restaurant and entered the above described 1958 Oldsmobile. He was observed proceeding to the Admiral Oasis Auto Hotel, 9323 Waukegan Road, Morton Grove, Illinois. PRIO parked the Oldsmobile in the rear of this hotel and entered at 1:50 p.m. At 2:15 p.m. PRIO departed this hotel in the Oldsmobile and proceeded to his residence, 1721 Sunset Ridge Road, Glenview, which he entered.

Contact was made with Senate Select Committee Investigator [redacted] who was advised of ROSS PRIO's present whereabouts. A subpoena was subsequently served to PRIO by Investigator [redacted] at approximately 2:45 p.m. on June 1, 1958, at PRIO's residence. It is noted that at the time of service, PRIO refused to admit his identity, was surly, and accepted this subpoena with reluctance. However, when [redacted] attempted to explain the procedure involved in responding to the subpoena, PRIO indicated that he would know how to handle the matter.

The Bureau of Identifications records reflect that ENGLISH sought a job of bailiff in the Municipal Court of Chicago on June 17, 1956. This file reflects his residence as 3338 5th Avenue and contains the following physical description:

Date of Birth	January 17, 1913
Height	5'11"
Weight	230 pounds
Hair	Brown

On May 29, 1958, SA KEMPFF, under pretext, learned from [redacted] Manager of 5th-Jack Grill, 3338 5th Avenue, that ENGLISH had not been around for about a month, and that he was someplace in Florida.

[redacted] bartender, 5th-Jack Tavern, on June 9, 1958, advised SAs KEMPFF and MATTHYS that he had not seen SAM ENGLISH for about a month. Prior to that time SAM was a regular customer, coming in about once a week. He claimed not to know ENGLISH's whereabouts. b6 b7C

On May 29, 1958, Mrs. GALLO, 1800 South Austin, mother in law of ENGLISH, stated to KEMPFF and MATTHYS that ENGLISH and his wife were on vacation and mentioned Florida.

[redacted] of ENGLISH, refused to talk to agents.

T-1, whose reliability is unknown but who is in a position to know and who has furnished information which has been corroborated by subsequent investigation, on June 10 and 12, 1958, advised SAs KEMPFF and MATTHYS that he last saw SAM ENGLISH about five months ago. He heard that in February or March, ENGLISH was in Florida, that he came back to Chicago, and had recently returned to Florida under instructions from the "syndicate" to make himself scarce.

SAM ENGLISH is married to [redacted] and has two sons, [redacted] He has four brothers, one of whom is CHARLES. T-1 does not know the names of the other three. His Social Security Number is 338-03-8173. Three or four years ago he did some work for Attorney ANTHONY CHAMPAGNE for which he was paid about $10,000.00. b6 b7C

In 1957, SAM ENGLISH received $2,500.00 from Consolidated Record Sales, Incorporated, Chicago, Illinois, $3,750.00 from Midwest Music and Amusement Company, Chicago, Illinois, $4,123.57 from his interest in the 5th-Jack Grill, and approximately $4,000.00 from a three-flat building he owns at 3216 August Boulevard.

ENGLISH has a two-thirds interest in the 5th-Jack Grill, 3338 5th Avenue. One [redacted] has a one-third interest. b6 b7C

T-1 recalled that a few years ago he knows that ENGLISH frequented the bar of the Woodart Hotel, 27th and Collins Avenue, Miami Beach, Florida. 17th and Collins at that time was a hangout for bookies and SAM frequented it. He advised it was located next to Martha Ray's Restaurant.

T-1 said that ENGLISH always drives his car on his trips so that wherever he is his car is with him.

A few months ago, T-1 met SAM's brother from Tucson, Arizona, whose name he cannot recall. This brother operates a motel near Tucsoh.

Although T-1 does not know where ENGLISH banks, he said that the account of the 5th-Jack Grill is at the Merchant's National Bank on Madison Street.

He described SAM ENGLISH as follows:

Height	5'11"
Weight	250
Build	Fat, large stomach
Face	Double chin, heavy, square, big jaws
Voice	Deep
Hair	Black

According to T-1, SAM ENGLISH is a gambler. He recalled that a few years ago, ENGLISH used the garage at the rear of the 5th-Jack Grill as a book. Now it is used to store records for juke boxes, the distribution of which is SAM's present business.

[redacted] b7D

The above information should not be made public except on the issuance of a subpowna duces tecum.

CHARLES ENGLISH was observed on June 18, 1958, by SA's RALPH R. HILL, Jr. and AUGUST C. KEMPFF at his car, a 1957 Cadillac convertible, 1958 Illinois License 969 286, at Lomar Distributing Company. He was interviewed and offered no information except that his brother, SAM, was out of town and was not going to be served if he could avoid it. CHARLES denied that he was in touch with SAM.

On June 18, 1958, [redacted] Cicero, Illinois, advised that she has not seen SAM ENGLISH in the vicinity of his residence for the past several weeks. She stated that she knows SAM ENGLISH by sight and that should she observe him she would immediately contact this office.

[redacted] Cicero, Illinois, b6 b7C advised SAs MATTHYS and KEMPFF on June 4, 1958, that he has not seen SAM ENGLISH near his residence for the past three or four weeks. He stated that he knows ENGLISH by sight and that if he observes him he would immediately make known his observation of ENGLISH to this office.

It is noted that T-1 advised that SAM ENGLISH receives income from the Consolidated Record Sales, Incorporated, the Midwest Music and Amusement Company, and from a three-flat building located at 3216 Augusta Boulevard, in Chicago.

Concerning the Consolidated Record Sales, Incorporated, CHARLES ENGLISH, hoodlum - brother of SAM ENGLISH, advised SAs HILL and KEMPFF on June 18, 1958, that the Consolidated Record Sales, Incorporated, is located in the basement of the concern which is operated by CHARLES ENGLISH, the Lomar Distributing Company, and is affiliated with the Lomar Distributing Company.

Concerning the Midwest Music and Amusement Company, the Chicago Telephone Directory for 1957 and 1958 contains no record. CHARLES ENGLISH advised that he had never heard of this concern.

The three-flat building at 3216 Augusta Boulevard is owned by SAM ENGLISH and managed by [redacted] advised SA MATTHYS on June 18, 1958, that she has known SAM and CHARLES ENGLISH from childhood but does not know them socially. [redacted] advised that he has not seen SAM for several months. He manages the building at 3216 Augusta but handles the business with ENGLISH by mail.

b6
b7C

[redacted] Clerk, Chicago Credit Plate Company, Chicago, Illinois, advised SA ROEMER on June 10, 1958, that her concern has no record of SAM [redacted] ENGLISH. It is noted that the Chicago Credit Plate Company contains credit information concerning charge accounts at Marshall Fields, Carson Pirie Scott, Mandel Brothers, The Fair Store, and Charles Stevens, the five largest department stores in Chicago.

b6
b7C

T-3, who has furnished reliable information in the past, advised that on March 16, 1958, and on March 21, 1958, CHARLES ENGLISH was in contact with Mrs. [redacted] at the Sea Brook Hotel in Miami Beach, Florida.

Investigation at the Sea Brook Hotel, Surfside, Florida, on June 20, 1958, by the Miami Office of the FBI, determined that SAM ENGLISH, with his wife and son, registered at the Sea Brook Hotel on March 15, 1958, giving as their address 1800 South Austin Boulevard, Cicero, Illinois. The records of this hostelry reflect that the ENGLISH family checked out of the hotel on April 1, 1958. These records also reflect that on March 22, 1958, SAM ENGLISH advised an official of the Sea Brook Hotel that he would not accept any telephone calls under the name ENGLISH but would accept such calls under the name RUSSO. Records of the Sea Brook Hotel do not reflect that ENGLISH is registered at the hotel at the present time under his true name or any known aliases. Personnel of the hotel were unable to identify ENGLISH as being a present guest at the hotel.

Concerning the information furnished by T-1, as set out above, investigation by the Miami Office of the FBI disclosed that there is no Woodart Hotel which has ever existed in the Miami or Miami Beach area. However, the Wofford, which is presently closed for the summer and which is located at 24th and Collins, years ago was a hangout for hoodlums. Investigation of the Miami Office to locate ENGLISH in Miami has been unsuccessful to date in this regard.

On June 16, 1958, representatives of the Standard Oil Company, Sopony Mobile Gasoline Company, Pure Oil Company, and Sinclair Oil Company advised SA KEMPFF that they could find no record of SAM ENGLISH having a credit card of any of those companies.

Mr. ANTHONY V. CHAMPAGNE, Attorney, One North La Salle, was telephonically contacted on June 23, 1958, in an effort to arrange an appointment for an interview. He refused to personally see SA [redacted] and stated he could furnish the desired information over the telephone. b6 b7C

He advised that SAM ENGLISH was employed by him several years ago as an investigator when he represented the Chicago Restaurant Association.

He advised he last saw ENGLISH about six months ago and that the present whereabouts of SAM ENGLISH are unknown to him. He was of the opinion close relatives of ENGLISH would know his location.

During the course of this telephone interview, CHAMPAGNE expressed a desire not to disclose additional information about his association with ENGLISH or furnish background information of ENGLISH known to him.

CG 92-620

On June 30, 1958, [redacted] niece of SAM ENGLISH, was served a subpoena by committee investigator [redacted] Senate Select Committee. [redacted] advised the committee contemplated service of subpoena on ENGLISH's brother CHARLES.

b6
b7C

Committee Investigator [redacted] advised on July 3, 1958, that CHARLES ENGLISH had contacted him at which time ENGLISH advised he had been in contact with SAM ENGLISH and told SAM to return to Chicago to pick up his subpoena. CHARLES ENGLISH purportedly told [redacted] his reason for this contact was to relieve pressure exerted on the ENGLISH family by the committee.

b6
b7C

On July 5, 1958, Committee Investigator [redacted] advised SA [redacted] that SAM ENGLISH, accompanied by his Attorney ANTHONY CHAMPAGNE, had appeared before the committee representative at Chicago that date to accept service of the subpoena from the Senate Select Committee.

On June 16, 1958, Agents of the Chicago Office were requested to be on the lookout for the 1957 Lincoln, two-door, automobile bearing the 1958 Illinois license number registered to SAM ENGLISH, which T-1 advised ENGLISH constantly drives.

She said that she rarely sees the BATTAGLIAs, particularly SAM. She stated that she would call this office in the event she came into possession of information relating to SAM BATTAGLIA's whereabouts. b6 b7C

Based upon the above information, a physical surveillance was conducted by SAs HILL and MELLOTT in the vicinity of the Luxor Baths at 9:00 a.m., May 31, 1958. SAM BATTAGLIA was not observed and the surveillance was discontinued at 1:00 p.m.

T-4 advised SA [redacted] in April, 1958, that BATTAGLIA, in his role of "head man" for the west side and Melrose Park gambling activities, may usually be seen at the Casa Madrid, 25th and Lake, Melrose Park, and a race wire service at 140 North 21st Avenue, Melrose Park. On June 2, 1958, a 1958 Black Oldsmobile was observed parked at 1114 North Ridgeland, Oak Park, at 11:30 p.m. The license number was 1733903, registered to [redacted] This car, driven by a White male, 5 feet 5 inches, middle 50s, grey hair, slender build, proceeded to Meo's Norwood House, Harlem and Lawrence Avenue, arriving there at about 12:30 p.m. At 12:45 p.m., the car left Meo's and proceeded to the vicinity of the Casa Madrid, 25th and Lake, Melrose Park, arriving there at about 1:20 p.m. A physical surveillance was conducted in the vicinity of the Casa Madrid by SAs HILL and MELLOTT, and BATTAGLIA was not observed. [redacted] television repairman, was observed entering the BATTAGLIA residence at approximately 4:00 p.m., June 4, 1958. He was interviewed by SAs FRANKFURT and ESAREY, and stated that he makes repairs on BATTAGLIA's four television sets about once per month. He said that on the visit described above, he had not seen the subject and did not believe that he was in the house at the time.

On June 13, 1958, T-4 said that BATTAGLIA and [redacted] spent the entire day of June 8, 1958, at the Luxor Baths. The informant said that [redacted] is employed at #4 South Water Street Market.

[redacted] was interviewed by SAs HILL and KEMPFF on June 16, 1958, and denied knowing BATTAGLIA. He admitted that he was at the "Bathouse" on June 8, 1958, but said that he was alone.

[redacted] of the Luxor Baths, 2039 West North Avenue, advised SAs HILL and KEMPFF that he was not acquainted with SAM BATTAGLIA, but knew [redacted] He said that [redacted] was at the Baths on June 15, 1958, unaccompanied. [redacted] said that he was not on duty at the Baths on June 8, 1958.

Lieutenant [redacted] Oak Park Police Department, advised SAs HILL and KEMPFF on June 16, 1958, that he knew SAM BATTAGLIA well and lives near him. He said that [redacted] son, is in his little league baseball team. Lieutenant [redacted] said that BATTAGLIA in all probability is on his farm located somewhere in Indiana. b6 b7C

On June 16, 1958, representatives of the Standard Oil Company, Socony Mobil Company, Pure Oil Company, and Sinclair Oil Company advised SA KEMPFF that they could locate no record of BATTAGLIA having a credit card with those companies.

At 3:15 on June 11, 1958, Senate Investigator [redacted] attempted to serve a subpoena on SAM BATTAGLIA at his residence, 1114 North Ridgeland Avenue, Oak Park, Illinois. [redacted] answered his ring at the door of her home and informed [redacted] that her husband was not home, that she had not seen him for over two weeks, and that she had no idea where he might be. Subsequent to the attempt by [redacted] to serve a subpoena at the residence of SAM BATTAGLIA on June 11, 1958, [redacted] was interviewed by SA ROEMER in her residence. [redacted] advised that her husband left home a day or so before Memorial Day, May 30, 1958, and she claimed that he told her nothing about why he was leaving or where he was going. Initially in the interview, [redacted] advised that she did not know anyone who might know her husband's whereabouts, but later during the interview she advised that she might be able to find someone who would know where and why her husband had left home and through that person be able to get in touch with her husband. She stated that she realized that the Agents would continue to look for her husband until they found him and that it would be for her benefit and for the benefit of her 11 and 14 year old sons that the investigation to locate her husband be concluded with dispatch. She stated that her husband was a fine father and husband and that she felt that if she could talk to him and explain the situation he would accept the b6 b7C

subpoena. Arrangements were made with [redacted] so that she could contact SA ROEMER at any time through the Chicago Office of the FBI. It is noted that [redacted] is hard of hearing and was interviewed in the presence of her sister, one [redacted] who resides with the BATTAGLIAs a great deal of the time. [redacted] was recontacted by SA ROEMER on June 17 and June 20, 1958, and on these occasions she advised that she had contacted friends of her husband who she felt might know of the whereabouts of her husband, but that they advised her that they had no idea where he might be. b6 b7C

On June 17, 1958, [redacted] advised that she would continue in her efforts to locate her husband and influence him to accept the subpoena; however, on June 20, 1958, she advised that she had exhausted all methods known to her by which she could contact her husband and that she was unable to do so. She stated that SA ROEMER would be wasting his time in contacting her further inasmuch as she was unable to get in contact with her husband. On this occasion she was requested to furnish the business her husband was involved in, his attorney, his associates, and his bank, but she refused to furnish any of the information requested. She did, however, state that her husband was a farmer and that such was his sole occupation. [redacted] refused to furnish the location of her husband's farm, stating that she did not desire that the person running the farm for her husband be bothered by FBI Agents. b6 b7C

During the three interviews of [redacted] by SA ROEMER, she was courteous but refused to furnish any information of value in the investigation to locate her husband.

T-5 advised that he understands that at one time a [redacted] Chicago, Illinois, who was reputed to be a bookie in Chicago, owned part of a farm, the other part being owned by SAM BATTAGLIA. b6 b7C

[redacted] Proprietor of the apartment building located at 716 South Tripp Street, advised SA [redacted] on June 23, 1958, that a tenant by the name of [redacted] formerly occupied Apartment #3 at this address for a relatively short period. He stated that the [redacted] family moved from this apartment building about six years ago to an address unknown to him. b6 b7C

[redacted] was subsequently interviewed by SA [redacted] on June 23, 1958. She also recalled [redacted] family residing above her apartment several years ago but did not know the present address of CRESCIONE. b6 b7C

Inquiry at 821 South Halsted by SA [redacted] on June 23, 1958, determined that that address is the location of a currency exchange and that there was no one there who knew anyone named [redacted] Attorney.

[redacted] Clerk, United States Post Office, Hampshire, Illinois, advised SAs MELLOTT and HILL on June 20, 1958, that SAM BATTAGLIA, not a box holder, receives his mail in care of [redacted] stated that this box number is located near Pimgree Grove, Illinois.

[redacted] Maplewood Farm, located approximately one-half mile east from the BATTAGLIA farm at Pimgree Grove, advised SAs MELLOTT and HILL on June 20, 1958, that she and other neighbors of BATTAGLIA have come to know that he is a Chicago hoodlum and expressed the belief that he owns the farm, which is operated by one [redacted] stated that she has not seen BATTAGLIA for several weeks at his farm except possibly on the preceding Sunday, when she observed about six men on the BATTAGLIA farmyard looking over the race horses BATTAGLIA has. [redacted] stated that occasionally she hears firing of guns on the BATTAGLIA farm. [redacted] stated that she would make a point of trying to observe those present at the BATTAGLIA farm and if she observed a man fitting the description of BATTAGLIA she would make that fact known to the FBI.

[redacted] concluded by pointing out that both BATTAGLIA and all members of the [redacted] family are disliked in the area, and that her landlord, [redacted] has had several "run-ins" with BATTAGLIA and [redacted]

[redacted] Illinois, located approximately one mile east of Pimgree Grove on the road to Dundee, advised SAs MELLOTT and HILL on June 20, 1958, that he is familiar with the BATTAGLIA and [redacted] families and has a strong dislike for these persons due to their disregard for the rights of others and their neglect in allowing their cattle to roam on to his fields and destroy crops. [redacted] said he has not observed BATTAGLIA at the farm during recent weeks but recalled that approximately two or three weeks ago he heard the firing of guns on the farm, and that judging

from past experiences this indicated to him that BATTAGLIA was in the area as it is he, rather than [redacted] who does the shooting. [redacted] stated that the BATTAGLIA farm was bought in 1948 and consists of 219 acres owned by BATTAGLIA as well as 230 acres which he leases. [redacted] stated that a very conservative estimate of BATTAGLIA's holdings would be that the farm and buildings are worth approximately $100,000.00, his race horses approximately $35,000.00, and the cattle approximately $15,000.00. [redacted] and his wife pointed out that they would be very willing to cooperate in any way they could with the FBI and would make a point of observing if BATTAGLIA frequents the farm in the near future and would make that information known to the FBI. b6 b7C

On June 23, 1958, Attorney [redacted] Room 808, 164 Division Street, Elgin, Illinois, who is Assistant States Attorney for Kane County, advised SA AUGUST C. KEMPFF that he has hendled legal transactions for SAM BATTAGLIA's farm which is located just outside of Pimgree Grove, Illinois; however, he has very little personal contact with BATTAGLIA, having seen him on the street in Elgin in the fall of 1957, when BATTAGLIA had an altercation with a neighbor over one of BATTAGLIA's cows getting in his corn pasture. [redacted] advised that BATTAGLIA has an account with the Elgin National Bank.

GUS ALEX

On May 20, 1958, T-6 advised that he had learned that GUS ALEX left Chicago apparently during the week of May 18, 1958. This informant, who is a friend of ALEX's wife, advised that he had the impression that ALEX had left Chicago due to the fact that the Senate Rackets Committee proposed to conduct hearings regarding the Chicago Restaurant Association and that ALEX was fearful that he might be subpoenaed to appear before the committee.

On May 23, 1957, T-7 advised that ALEX was last seen at his residence, the Murray Hill Apartments, 4300 North Marine Drive, Chicago, Illinois, on May 17, 1958, and that his wife, [redacted] had not been seen there since May 7, 1958.

On May 29, 1958, three pretext telephone calls were made to the residence of GUS ALEX. On no occasion did anyone answer the phone at that address. b6 b7C

Spot surveillances of the Randolph Towers Barber Shop, 188 West Randolph, were conducted by SAs ROEMER and [redacted] on May 29, 1958, with negative results. It is noted that the Randolph Towers Barber Shop is a frequent hangout of ALEX.

On May 29, 1958, T-6 was recontacted by SA LEONARD C. TREVIRANUS and he advised that he had no information concerning the present whereabouts of GUS ALEX.

Spot surveillances of Celano Tailors, 6 North Michigan, Chicago, were conducted on May 29, 1958, by SAs ROEMER and [redacted] ALEX was not observed. It is noted that Celano Tailors is a frequent hangout of GUS ALEX.

It is noted that this dining room is a frequent hangout of GUS ALEX.

T-7 was recontacted on May 29, 1958, by SA ROEMER and he advised that ALEX continued to be absent from his residence and that his wife likewise was not there.

T-8 advised on May 29, 1958, that GUS ALEX holds his deceased father in very high respect and that on each Memorial Day the ALEX family, as is a Greek custom, visits the cemetary where his father is buried and together with a Greek priest conduct a lengthy ceremony in honor of his father. T-8 advised that it has been his experience that GUS ALEX never fails to pay homage to his father in this fashion and that he feels certain that only the most unusual circumstances would prevent ALEX from appearing at his father's grave.

On Memorial Day, May 30, 1958, the ceremony described by T-8 at the mausoleum of NICK ALEX at the Evergreen Park Cemetary, Evergreen Park, Illinois, the grave of the deceased father of GUS ALEX was observed by SAs [redacted] and ROEMER. It was noted that although apparently all other members of the ALEX family were present at the ceremony GUS ALEX and his wife did not make an appearance. Surveillances of the residence of ALEX's mother in Evergreen Park on May 30, 1958, likewise were unproductive in locating ALEX. b6 b7C

On May 30, 1958, a pretext telephone call was made to the residence of ALEX's mother by SA ROEMER and the person who answered the telephone advised that ALEX was not in town.

On May 30, 1958, a pretext telephone call was also made to the residence of ALEX at 4300 North Marine Drive and no one answered the phone.

On May 31, 1958, a surveillance was conducted at the residence of GUS ALEX's mother in Evergreen Park, Illinois, and at the residence of GUS ALEX in Chicago, Illinois, by SAs [redacted] and ROEMER. ALEX was not observed at any time. b6 b7C

On May 31, 1958, investigation conducted by the Los Angeles Office of the FBI determined that at that time GUS ALEX and his wife were guests in Room 632, Beverly Hilton Hotel, Beverly Hills, California. Arrangements were therefore made with ROBERT KENNEDY, Special Consul of the Senate Select Committee on Improper Activities in the Labor or Management Field, in order that a subpoena might be flown to Los Angeles, California, for service on ALEX. Mr. KENNEDY advised that a committee investigator would attempt to serve the subpoena on ALEX at the Beverly Hilton Hotel either on May 31, 1958, or on June 1, 1958. Information received from the Los Angeles Office of the FBI indicates that at 6:40 p.m. on May 31, 1958, THOMAS MULHERIN of the Senate Select Committee telephonically contacted GUS ALEX at the Beverly Hilton Hotel and advised ALEX that he desired to serve ALEX with a subpoena. GUS ALEX then checked out of the Beverly Hilton Hotel at 7:10 p.m. before service could be made on him. Mr. MULHERIN later advised the Los Angeles Office of the FBI that ALEX had telephonically contacted him stating that he would get in touch with the Senate Select Committee through his attorney in Chicago. No mention was made of the identity of this attorney.

On June 3, 1958, [redacted] who is in charge of the Senate Investigators in Chicago, advised that he had not heard from ALEX either directly or through an attorney.

On June 6, 1958, [redacted] All Tours and Travel System, Incorporated, 11 South La Salle Street, advised SA ROEMER that Mr. and Mrs. GUS ALEX, 9353 South Spaulding, Evergreen Park, traveled through arrangements made by the All Tours and Travel System in November, 1957. She stated that on this occasion GUS [redacted] ALEX went to Mexico City and Acapulco. [redacted] stated that they left Chicago on November 22, 1957, and returned on December 1, 1957. They also visited Los Angeles, California, on this occasion and stayed at the Beverly Hilton Hotel in Beverly Hills. [redacted] stated that she had no information which would be of any assistance in the location of ALEX at the present time and stated that they were not at present on a trip arranged by the All Tours and Travel System.

b6
b7C

From a review of the records of All Tours and Travel System, however, it was determined that ALEX stated that he could be contacted at all times through the telephone number DElaware 7-2854. [redacted] agreed to make a pretext telephone call to that number in an attempt to determine whether ALEX was in town at that time. It is noted that this number is listed to Celano Tailors, Incorporated.

[redacted] was told, upon making the call, that GUS ALEX was not in town and that there was no information available at Celano Tailors which would indicate when he might return.

b6
b7C

On June 9, 1958, spot surveillances were conducted by SA ROEMER at the Randolph Barber Shop, Covered Wagon, Town Hall Hotel Dining Room, all described above, and at Postl's Health Service, 188 West Randolph, a known hangout of ALEX.

On June 10, 1958, T-9 advised that the residence of GUS ALEX's mother in Evergreen Park, Illinois, had not received any correspondence which would indicate what the location of GUS ALEX was at that time.

T-7 advised on June 10, 1958, that GUS ALEX had not returned to his residence since he was last seen there on May 17, 1958, and that [redacted] had not been seen there since May 7, 1958.

b6
b7C

On June 10, 1958, attempts were made by SA ROEMER to locate [redacted] chauffeur for GUS ALEX, at [redacted] residence, but efforts in this regard were unsuccessful.

On June 11, 1958, a surveillance was conducted by SA ROEMER at the residence of ALEX's mother in Evergreen Park, Illinois, but ALEX was not observed.

On June 12, 1958, T-8 advised that he had obtained no information of value to this investigation in that he had not seen ALEX in several weeks.

On June 13, 1958, a pretext telephone call was made by SA ROEMER to Celano's Tailers but the person who answered the phone stated that ALEX was "not around" and he did not know when he would return.

T-10, concerning whom insufficient contact has been made to determine his reliability but who is in a position to know and who furnished information which has been corroborated by subsequent investigation and by information previously received from other sources, was contacted by SA ROEMER and SA [redacted]

b6
b7C

T-10 stated that he had learned from a reliable source, who is well acquainted with GUS and [redacted] that Mr. [redacted] ALEX were in Palm Springs, California, during the early part of June,

and that this person learned on the evening of June 15, 1958, that either on that evening or on the morning of June 16, 1958, the ALEXs were to leave Palm Springs for Las Vegas, Nevada. T-10 was unable to furnish any further information on this occasion leading to the location of ALEX. However, on June 17, 1958, T-10 advised that he had learned that SIDNEY R. KORSHAK, well-known criminal lawyer and a close friend of GUS ALEX, was out of town in California and that he might possibly be with GUS and [redacted] b6 b7C

On June 18, 1958, T-10 recontacted SA ROEMER, and advised that he had learned on that date that GUS and [redacted] would probably be in Las Vegas, Nevada, at least until early during the week of June 22, 1958.

By communication dated July 1, 1958, the Los Angeles Division advised that SYDNEY KORSHAK, Chicago Attorney, had been interviewed by SA [redacted] at which time KORSHAK advised that ALEX and his wife came to California in the first part of June and he gave them permission to occupy his suite at the Ocotillo Lodge, Palm Springs, California, and gave ALEX his permission to drive his white Lincoln Continental. KORSHAK stated that he did not know where ALEX was then situated.

[redacted] chain store owner, advised he had seen ALEX and ALEX's wife at LaRue's Restaurant in Los Angeles on June 25, 1958. He continued that ALEX and his wife arrived in Los Angeles on June 24 or 25. [redacted] stated that ALEX joined his party for dinner and subsequent dancing at Macombos where ALEX was joined by [redacted] boxing promoter. While at the Macombo, ALEX, upon leaving, purportedly told [redacted] he was returning to Chicago either that night, June 25th, or early the following morning. b6 b7C

By communication dated July 3, 1958, Los Angeles advised that Mrs. MARION RYAN, ALEX's mother-in-law, advised on June 24, 1958, that he had recently returned from Wyoming.

CG 92-620
WFR:emh

On June 19, 1958, T-3 advised that SYDNEY KORSHAK had contacted the subscriber to Palm Springs, California, telephone number 2345 in the past. Investigation by the Los Angeles Office in Palm Springs, California, disclosed that GUS ALEX as MICHAEL RYAN, accompanied by his wife, occupied Villa number 32, Acotillo Lodge, 1111 East Palm Canyon Drive, Palm Springs, California, from June 6 through June 9, 1958. ALEX and his wife were permitted use of the Villa without registering under any name. Photo of ALEX was positively identified by personnel of the Acotillo Lodge. While in the lodge, RYAN was observed driving a white Lincoln Continental Mark III, bearing Illinois license plate, license unknown. ALEX furnished the mangement of Acotillo Lodge no information concerning his forwarding address or possible destination after he left Palm Springs. Villa number 32, Acotillo Lodge, was leased by SYDNEY KORSHAK, 134 North La Salle, Chicago, Illinois, on a weekly basis. KORSHAK did not accompany ALEX or his wife. No phone calls were made by ALEX during his stay at Acotillo Lodge. On June 21, 1958, a white Lincoln Continental Mark III, bearing Illinois license number 83-920, was observed by SA [redacted] of the Las Vegas Office in the parking lot of the Flanagano Hotel, Las Vegas, Nevada. A check of the hotel reservations for ALEX under his true name and known aliases was not successful in locating ALEX.

The records of the Bureau of Motor Vehicles, Department of State, Springfield, Illinois, reflected that the above license number is registered to one [redacted] Wilmette, Illinois. b6 b7C

Information received from Wilmette, Illinois, Police Department determined that [redacted] who owned a 1958 Lincoln Continental Mark III, was at that time absent from Wilmette on a vacation and that he had visited California and possibly intended to visit Las Vegas before he returned to Wilmette based on the above information. The records of the Flanagano Hotel in Las Vegas were reviewed under the name [redacted] and it was determined that such a person was registered at the Flanagano Hotel on June 21.

CG 92-620

[redacted] further advised that the ticket used by [redacted] was number 007157 and that it was a round-trip ticket from Chicago to Los Angeles. [redacted] made a long distance telephone call to the Accounting Office of the American Airlines in Tulsa, Oklahoma, and determined that the return portion of the above-described round-trip ticket used by [redacted] has not to date been refunded, reissued, or credited to another ticket. It is noted that [redacted] is the wife of GUS ALEX, and that her telephone number is BI 8-2888. It is also known that she had not been seen at her residence at [redacted] in Chicago since May 7, 1958, as reported above. b6 b7C

On June 23, 1958, T-10 was recontacted to determine whether he had obtained any further information concerning the present location of GUS ALEX, and he advised that he had not. He further advised that in the event that any information comes to his attention, which he believes would be of possible interest to this office, he would immediately contact this office.

CG 92-620

On July 3, 1958, T-12 advised that on June 16, 1958, a call was placed from the residence of [redacted] to [redacted] Worland, Wyoming, FI. 7-4800.

SIDNEY R. KORSHAK, attorney, 134 North LaSalle, CG, advised on 7/14/58 that he does not represent GUS ALEX as an attorney, but that through his wife, [redacted] friendship with ALEX's wife, he knows ALEX well. He stated that in May he made arrangements with ALEX's wife so that she could use his Lincoln Continental Mark III while she was in California visiting her mother. He said he keeps this car permanently at the Beverly Hills Hotel in Beverly Hills, California. KORSHAK stated that he considers ALEX an "idiot" for refusing to accept service of the subpoena and thereby subjecting his friends and acquaintances such as KORSHAK, MARSHALL KORSHAK and [redacted] to contact by FBI Agents regarding the degree and nature of their association with ALEX. The reference to [redacted] was to the attempt by this office, through SIDNEY KORSHAK, to make arrangements to interview her. SIDNEY KORSHAK stated he is going to attempt to get word to ALEX that he should accept the subpoena. KORSHAK was told that if ALEX does not make himself available for the subpoena by Friday, 7/18/58, this office will recontact KORSHAK to make arrangements to interview his wife. It is noted that [redacted] is at present in Beverly Hills, California. KORSHAK stated that he will do his best to give ALEX "free legal" advice" by then.

[redacted] Celano's Tailoring, 620 North Michigan, CG, where ALEX is known to hang out and accept phone calls when in town, was recontacted. He advised he has not seen ALEX "for months", that he is not a particularly close friend of ALEX, that ALEX comes there only to buy suits, and that he has no way of getting word to ALEX to accept the subpoena. [redacted] was interviewed extensively and finally refused to answer any further questions regarding ALEX and his other hoodlum customers. He declined to check any records he might have regarding his business with ALEX and stated it would be necessary that a subpoena be served upon him for the production of these records and that at such time he would contact his counsel and determine what his further action should be. b6 b7C

[redacted] advised that he has been unable to determine any further information regarding ALEX's whereabouts except that he knows that ALEX and his wife have not as yet returned to Chicago. [redacted] b6 b7C b7D

Sources and fisurs at the residence and hangouts of ALEX have determined that he has not as yet returned to CG.

It is noted that SIDNEY R. KORSHAK was advised earlier this week that this office desired to interview his wife if ALEX did not surrender by today. Attempts to contact KORSHAK and his wife today determined that KORSHAK "had to leave town on an hour's notice", destination and whereabouts unknown, and that his wife likewise is not in town. Efforts to interview KORSHAK and his wife are continuing.

Sources, pretext phone calls and fisurs this week indicate that ALEX and his wife have not yet returned to CG.
